**SUPPLEMENTAL DECLARATION OF ADAM GUTRIDE IN SUPPORT OF MOTION
OF SCOTT MILLER FOR AN AWARD OF ATTORNEYS’ FEES, COSTS AND
REPRESENTATIVE PAYMENTS
AND RELATED RELIEF**

I, Adam Gutride, pursuant to 28 U.S.C. § 1746, hereby declare under penalty of perjury that the following is true and correct to the best of my knowledge, information and belief:

INTRODUCTION

1. I am an attorney admitted *pro hac vice* to practice before this Court and a partner in the law firm Gutride Safier LLP (“**GSLLP**”). I previously submitted a declaration on April 19, 2019 in support of the above-entitled motion (Dkt. 1296). I submit this declaration to supplement the record regarding the lodestar of my firm and the work performed by the proposed class representatives.

¹ The Debtors, together with the last four digits of each Debtor's tax identification number, are: Arctic Sentinel, Inc. [f/k/a Fuhu, Inc.] (7896); Arctic Sentinel Holdings, Inc., [f/k/a Fuhu Holdings, Inc.] (9761); Arctic Sentinel Direct, Inc. [f/k/a Fuhu Direct, Inc.] (2180); and Sentinel Arctic, Inc., [f/k/a Nabi, Inc.] (4119). The location of the headquarters is 1700 E. Walnut Avenue, Suite 500, El Segundo, CA 90245.

2. My prior declaration reported work by my firm through March 31, 2019. From April 1 to June 30, an additional 35.3 hours of work has been performed, primarily in (1) supervising construction of the settlement website, including testing its operation and requesting changes, (2) supervising issuance of class notice, (3) responding to class member inquiries about claim filing, (4) communicating with the settlement administrator regarding issues incurred by class members in claim filing, and (5) reviewing reports regarding notices distributed and claims received as well as communicating that information to the other parties. It also has come to my attention that I inadvertently omitted 47.9 hours of work on this litigation and settlement performed prior to March 31, 2019 from my prior declaration, because that time had been entered under billing matters pertaining to D&H Distributing Company and Wistron Corporation rather than Fuhu. I have now included those billings and the work from April 1 through June 30. The updated totals are as follows:

Name	Total Hours	2018 Regular Rate	Lodestar	2018-19 Laffey Rate with 8.6% Bay Area Adjustment	Adjusted Laffey Lodestar
Adam Gutride	1887.3	\$975.00	\$1,840,117.50	\$970.88	\$1,832,341.82
Todd Kennedy	26.7	\$800.00	\$21,360.00	\$805.81	\$21,515.13
Marie McCrary	246.3	\$850.00	\$209,355.00	\$805.81	\$198,471.00
Matt McCrary	301.7	\$775.00	\$233,817.50	\$714.59	\$215,591.80
Seth Safier	2120.5	\$925.00	\$1,961,462.50	\$970.88	\$2,058,751.04
Kristen Simplicio	28.9	\$800.00	\$23,120.00	\$805.81	\$23,287.91
Totals	4611.4		\$4,289,232.50		\$4,349,958.71

3. The above totals do not include all work performed in July 2019, which is not yet finalized in our billing system. During that period I have approved the second round of class notice and engaged in communications with dozens of class members and the claim administrator regarding issues class members have encountered in filing their claims. A third

round of class notice is still to be issued. If objections are made to the settlement, I will be obliged to assist the liquidating trustee in responding. I expect to incur a significant number of additional hours on this case until all settlement proceeds are distributed.

4. As noted in my prior declaration, expenses are accounted for and billed separately and are not duplicated in my professional billing rate. Since my prior declaration, GSLLP incurred \$1202.20 in additional unreimbursed expenses, for a new total of \$232,281.85. A complete breakdown of all expenses is attached as Exhibit A.

5. In my prior declaration, I provided a summary of the herculean efforts of Class Representative Scott Miller during this litigation, to justify his proposed incentive award of \$75,000. Although the other Class Representatives were far less involved in this case than Mr. Miller, they also deserve incentive awards. James Griffin, who requests an award of \$3000, has been involved in this litigation since the initial motion for class certification in the District Court, when he filed a declaration about his experiences as a Fuhu consumer in support of certification and offered to serve as an additional or alternate class representative. Subsequently, he reviewed and approved the stipulation for certification that resolved the motion for leave from the automatic stay, which appointed him as a representative. He then communicated on a regular basis with GSLLP regarding the bankruptcy proceedings, and he reviewed drafts, as well as the final versions, of the Settlement Agreement. The additional Class Representatives—Taylor Sanchez, Carlos Munoz, Vanessa Floerke, Jill Aguilera, and Nell Baker—who seek an award of \$1000 each, also spent time working on and contributing to the successful resolution of this litigation. Each of them (1) provided Class Counsel with detailed information about their experiences, (2) approved drafts of complaints presented to D&H and Wistron as part of the settlement process, and (3) reviewed and approved the terms of the proposed settlement.

6. When Fuhu entered bankruptcy, I was advised by several respected lawyers that it would be fruitless to expend further time and resources. Nevertheless, my firm devoted enormous time and money to continuing to litigate in the bankruptcy proceedings for more than three and one-half additional years. I am pleased with the results obtained for the Class which I believe are excellent.

Executed this 30th day of July, 2019, at Berkeley, California. I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.
